

WYOMING CATHOLIC COLLEGE
SUMMER JOB DESCRIPTION
COR Hybrid Instructor

Job Title: COR Hybrid Staff

Location: Lander, WY

Department: WCC Outdoor Leadership Program & COR Expeditions

Compensation: \$12/hr plus housing, field wage DOE.

Reports to: WCC/COR Operations Coordinator and Mr. Zach Carlstrom

Application Deadline: Monday, November 14, 2022 (8:00AM)

Work Schedule: This position will be a balance of field and office time. When working in the office/garage, expect 40 hours/week; schedule will vary. The majority of work will be done from 8:30am – 5:30pm, Monday – Friday, but evening and weekend shifts should be expected.

Position Summary: This is a full time position working the entire summer both in the field and office. When in the field, hybrid staff will work with COR missionary and senior field staff to provide excellent outdoor ministry, instruction, and risk management. While in the front country, hybrid staff will prepare and provide food, equipment and transportation needs for all WCC and COR summer trips.

Minimum Job Requirements:

- COR exists to reclaim the wealth of people's identity and purpose in Christ. All COR employees must be excited and willing to engage in this mission.
- Demonstrated commitment to the mission of COR and Wyoming Catholic College.
- Dedicated, solution oriented, with a personal growth mindset.
- Minimum of eight weeks of field experience, including at least one three-week expedition.
- WFR & CPR certifications valid until September 2023 preferred (still possible to do this year).
- Completion of the week-long WCC Leader Training Course (still possible to do this year).
- WCC freshmen winter course instructor preferred.
- Understanding and commitment to follow all permit rules and regulations.
- Demonstrated ability to work well with others.
- Ability to communicate clearly and teach beginners.
- Organized and professional ethos in both backcountry and frontcountry settings.

To Apply: Complete the WCC job application at: wyomingcatholic.edu/employment-application. Be ready to upload a cover letter, current resume, backcountry log (focusing on extended trips greater than 2 days in length), and copies of certifications when prompted.
