

November 21, 2019

Dear Student and Parents,

Wyoming Catholic College is committed to making the unique education we offer available to qualified students regardless of their financial need. The College endeavors to meet the needs of each student through its program of financial aid, which includes work-study programs, loans, scholarships, and grants.

Wyoming Catholic College strives to keep the cost of attending the College affordable. The cost of attendance at WCC is much lower than most private colleges and lower than most other Newman Guide Recommended Colleges. The current cost for tuition, room & board, and books is \$32,300. The Wyoming Catholic College Board of Directors has the authority to change the cost every year. The difference between the actual cost and the amount a student and his or her family is able to pay is funded through gifts and grants from our benefactors.

It is necessary that each Wyoming Catholic College student and his or her parents contribute the maximum amount possible toward the cost of the student's college education. We must ask for your assistance in this venture. We appreciate your support to help the College in its efforts to meet the needs of its students and to remain financially responsible in the given environment.

The Financial Aid Program at Wyoming Catholic College

Once the student and parents have drawn as much as is possible from their own, the College endeavors to meet the remaining needs of each student through its program of financial aid, which includes a work study program, outside loans, WCC student and parent loans, WCC need-based scholarships and outside scholarships. The following is a short description of these programs.

Work Study Program (\$3,000) – Eligible students receive on-campus employment opportunities. The program provides students with both an excellent source of funding to offset the expenses of attending WCC and an opportunity to build work experience to take with them upon graduation. If possible, students are hired for jobs that are relevant to their interests and experience. Unless special circumstances exist, students are expected to accept a full work study position (10 -12 hours per week) before any additional need-based aid will be awarded. Full work study positions will yield total gross wages of \$3,000 to the student for the academic year if all scheduled hours are worked.

OR Work Force Program (\$3,000) – Eligible students receive off-campus employment opportunities with approved local businesses. The program provides students with both an excellent source of funding to offset the expenses of attending WCC and an opportunity to build work experience to take with them upon graduation. Unless special circumstances exist, students are expected to only work 10 -12 hours per week. Work force students are expected to bring monthly payments to the business office. Work force is normally an option only for upperclassmen.

Outside Student and Parent Loans (amount varies) – The College realizes that many of you chose to attend College based on the financial aid provided by the College and its loan program. Starting with the 2020-2021 academic year WCC will no longer provide student and parent loans. Since WCC has carried these loan debt, it was a challenge. WCC has partnered with Notre Dame Federal Credit Union and Wells Fargo. You will need to apply for outside loans with either of these institutions. Accepting this alternative will show your support of the College in its prudential decision not to participate in the federal government's Title IV program.

WCC Will no longer offer a student or parent Loan – WCC offered loans to students and parents as part of its financial aid program. These loans from the College were a necessary option because the College could not qualify for federal or private loans without accreditation. With the awarding of accreditation by the Higher Learning Commission in November 2018, the College is eligible to directly receive the proceeds of federal and private loans obtained by our students and parents. However; the Board of Directors has decided that the College would not participate in the federal loan program in order to avoid any strings that the government may attach. This decision was supported by an overwhelming majority of our stakeholders (students, parents, donors, alumni, faculty, staff and friends of the College). Offering direct loans has reduced available funds to the College by \$6 million. With continued enrollment growth expected the aggregate loan amount will increase as well. WCC cannot longer offer the loan program. WCC has partnered with Notre Dame Federal Credit Union to provide loans to students and parents.

Student Loan suggested amounts (\$3,500 - \$6,500)

\$3,500 Freshman

\$4,500 Sophomore

\$5,500 Junior

\$6,500 Senior

Parent Loan suggested amounts \$2,000 per family

Outside Scholarships (amount varies) – Each student must **apply** for a minimum of two outside scholarships. The College provides suggestions for available scholarships in the attached Outside Scholarship Suggestions, as well as in the Course Catalog on our website. A student is responsible for notifying the Financial Aid Office when additional scholarships are received, even if he or she has already received his or her financial package from the College. Additional scholarships will be shared pro rata based on the student's financial aid package received from the College. *If, for example, a student is paying 50% of tuition and costs, 50% of the additional outside scholarship will go towards reducing the student/parent payments or loans.*

Need-based WCC Grants (amount varies) – To meet the remaining financial need, the College may provide WCC grants. These grants do not need to be repaid and are provided by generous benefactors.

Attached with this letter is the Financial Aid Application form for the 2020-2021 academic year. If you are not making a request for financial aid, please notify the Financial Aid Office as soon as possible.

We appreciate your assistance in helping the College. Please feel free to contact us if you have any questions.

Required Information

Please note that any significant change in data, such as an outside scholarship awarded to the student after his or her application has been processed and a financial package has been proposed, will necessarily lead to re-evaluation of the financial package previously offered and to a revised proposal taking into account the new data.

Yours in Christ,

April Pendleton

Director of Business and Financial Aid Office

Answers to Frequently Asked Questions About WCC Financial Aid

How does the College decide if I qualify for need based aid? Your Application for Financial Aid and required tax forms are carefully reviewed. All relevant facts and circumstances are considered. While we do not take a FAFSA, our standard financial calculator is like the FAFSA and is used as a tool to determine financial need. If the Financial Aid Office determines that your required Total Family Contribution is less than the amount needed to pay Total Tuition, Room & Board, and Books and Equipment, need-based aid will be offered.

What kinds of work study positions are available at WCC? Work study positions available include but are not limited to food service, maintenance, janitorial, library, coffee shop, administrative, computer, and outdoor program. Eligibility for certain positions will be based on prior work experience, class schedule, physical abilities, etc. Student preference will be taken under consideration when possible.

What can I do if my parents will not help me pay for college? Contact the Financial Aid Office to schedule an appointment. It is important to resolve any financial problems before the financial package is finalized. WCC will attempt to work with you to create a suitable financial package if at all possible.

Must my parents complete their portion of the application and submit their tax forms if I am financially independent? No, however, in order to be considered independent, you must meet certain criteria set forth by the College. You and your parents will also be asked to certify to the College that you are truly independent. Not living with your parents or not being claimed by them on their tax return does not automatically determine your dependency status.

Will I receive the same financial aid every year? Not necessarily. Students apply for financial aid each year. If family income, household size, number in college, etc. changes, your award can also change. However, students and parents can rest assured that the College will make every effort to ensure that the financial package received each year will be sufficient to allow the student to return to WCC provided the student and parents are making a reasonable effort to pay what they can.

Can I get work study or grants from WCC without establishing financial need? No. All work study and grants are need-based, and therefore require a financial aid application be submitted.

When can I expect an answer after I have submitted my Application for Financial Aid? Normally it takes the Financial Aid Office up to thirty days to review and process an application; provided the application is complete and all required tax forms are received.

Why are outside scholarships prorated between the College and the student?

Most colleges view outside scholarships as a means to reduce the amount of financial aid offered by the institution to the student. This policy, in effect, eliminates any motivation by the student to apply for outside scholarships if it only directly benefits the college. At Wyoming Catholic College, the financial aid requirement of the student is measured first, and then any outside scholarship is shared by the College and the student. We believe that is fair to both parties.

When are the student and parent payments due? Are payment plans available? The entire student payment is due no later than First day of Class. If a student payment is not received in full by the deadline, the student may not be permitted to begin classes. Parents have three payment plans available to them. Parents may: (1) pay their portion in one lump sum on or before June 30; (2) pay in two equal installments on or before June 30 and on or before January 1; or (3) pay in ten equal installments on or before the first of each month beginning in July. Any payment not received (or postmarked) by the due date may be subject to a late charge of one and one half percent (1 ½ %) of the past-due balance.

Outside Loan Info

Wells Fargo is one outside loan option. The contact information for Wells Fargo is as follows. Please visit www.wellsfargo.com/student/ (800-378-5526). The online process provides detailed information along with specific fill-in steps to complete the application. The banks will communicate a loan offer sheet for your review. There is no obligation. Once you have received your loan package, please contact the Financial Aid Office at WCC. With your loan offer and your completed WCC Financial Aid form, we can work out a complete financial package for you. As we mentioned, *you will not be required to choose the outside loan option.* We will try to work out a solution that works best for you and the College.

There is a great deal of information about financial aid available. Here are some suggestions to aid in your search for funds.

State Agencies. Your state Department of Education should have a listing of state and private student aid. This list may include grants, scholarships and loan programs.

Local School District. Even if you do not attend the local high school, inquire about a listing of local organizations that offer various types of student aid.

Parish & Civic Organizations. Knights of Columbus, Council of Catholic Women, and Rotary are some organizations that offer scholarships. Talk to your parish priest, fellow parishioners, and other friends to find out about scholarships available. Keep an eye out for essay competitions or other competitions that offer a scholarship as a prize. Here are two web sites to look at for Knights of Columbus scholarships.

<https://www.kofc.org/un/en/service/scholarships/index.html>

<https://www.kofc.org/un/en/members/programs/scholarships/4thdegreepatria-scholarship.html>

Corporations or Employers. Some companies have scholarships for the children or grandchildren of employees. Inquire at that company's personnel office.

The Web. The internet is loaded with information about financial aid, including useful sites at:

www.fastweb.com

www.scholarshipprograms.org

www.collegeboard.org

www.finaid.org

www.financialaidfinder.com

Make it a Family Affair. Often members of the extended family, aunts, uncles, cousins, in-laws, etc., would be willing to help, even excited to help, with monetary support if they were asked. It is a good experience for a student to ask for assistance. We all need to be humble and be willing to accept help from others.

PLEASE NOTE:

Some of these sites have a scholarship search engine. You plug in information, and it suggests scholarships for which you may be eligible. Be wary because there are student aid scams. Beware of tactics that try to convince you to buy their services and charge upfront fees. Do not give your Social Security Number (SSN), bank account or credit card information unless you initiated the contact and trust the company. If you are contacted by someone claiming to be from the Department of Education, and they ask for your SSN or other information, do not provide it. Contact one of the agencies below to report or to find out about financial aid scams:

Federal Trade Commission
