KINDERGARTEN – SECOND GRADE TEACHER

Teachers are responsible for creating their own lessons within the framework set by our content-rich curriculum, in collaboration with colleagues, and in partnership with Hillsdale College's Barney Charter School Initiative. Teachers are responsible, too, for mastering the key elements of their instruction, to include explicit phonics, Singapore math, Core Knowledge history, and Next Generation science.

Golden View Classical Academy is dedicated to the intellectual and moral betterment of our students, and encourages teachers to take their own moral and intellectual improvement seriously as part of a independent, responsible, and joyful school culture.

The successful candidate:

- actively promotes and nurtures the school's vision, mission, and core virtues
- mentors students in the pursuit of their own flourishing
- fosters professional friendships with faculty and staff
- seeks collaborative relationships with parents
- is committed to objective truth as a standard for human reason

Preferred characteristics:

- training and background in the liberal arts and sciences
- experience with explicit phonics
- experience with reading instruction
- organization, planning, and execution

SALARY RANGE:

\$42,000–\$50,000
