WHY WYOMING CATHOLIC COLLEGE?

Wyoming Catholic College offers a bachelor's degree in the liberal arts that is meant to educate the whole person, integrating the diverse modes of human learning. We form students through a rigorous immersion in the Great Books tradition, the grandeur of the mountain wilderness, and the spiritual heritage of the Catholic Church. In addition to studying the classical disciplines of liberal education in seminar-style classes, our students also venture into the wilderness through our Outdoor Leadership Program, learn to be stewards of Creation in our Horsemanship Program, and fast from technology through our campus cell-phone ban. Grounded in real experience and thoughtful reflection, our graduates love truth, think clearly, and communicate eloquently, engaging with the world as it is.
